

COVID-19 based Rules for Re-Opening the Club Facilities

Background

As you know, our club has been closed since March due to the COVID-19 pandemic, and in observance of the state's wide closure of all non-essential businesses, following MA state guidance.

During the last FSC Board of Directors meetings it was agreed that the Board would come up with a plan for the memberships' return to club activities.

The following bulleted items list provides a set of proposed rules that members will have to follow for the club to be able to operate in a safe way. As of the opening day these rules will be in place and will have to be adhered to by the membership.

COVID-19 Club Rules

Note: Rules will be in effect on Wed 20, 2020 and until further notice from the FSC Board. These rules are subject to change based on any new State mandated guidance.

1. The club will be open (for members only and their immediate guests) during its normal hours of operation ([as posted on the website](#))
2. The FSC club board will continue to monitor and observe the latest MA State guidance
3. **Social Distancing** must be maintained at all times (6 feet apart rule)
4. Member on the club premises must wear **masks (required) and gloves (recommended)** at all times
5. **All shooters must check in with the Duty Officer to get assigned to a squad**
6. **Squads/Shooters must wait before heading to the field until they are told by the Duty Officer**
7. Availability and Squad order will be based on a "first come first serve" basis
8. The **Duty officer will be only person allowed in the clubhouse.**
9. Shooters will wait their turn to transact maintaining required social distance. Transactions will be done sequentially
10. All transactions will be performed outside of the clubhouse, on the clubhouse deck, and solely managed by the Duty officer
11. The **Duty officer** will manage **ammunition sales, squad signup sheets and assign shooters to an available field as appropriate**
12. **Only pullers and shooters will be allowed in the skeet field(s). No observers**
13. **Squads will be limited to a maximum of 4 shooters**
14. **Each squad will have 1 designated (dedicated) non-shooting puller (no exceptions to this rule)**
15. **Pullers must wear gloves** at all times while pulling at the field.

COVID-19 based Rules for Re-Opening the Club Facilities

16. **Remote Triggers** (used by the pullers) must be returned to the Duty Officer and Sanitized after every round, before going back out to the field
17. Shells are to be picked up after every squad completes a round
- 18. Any payments to the club must be made by Check (made out to Falmouth Skeet Club)**
- 19. Online payments at the website will be available too. In which case the Duty officer will record the total amount and the member's name. After shooting, the member can go directly to the website (www.falmouthskeetclub.com) and make the payment online from his own online device (smartphone or laptop)**
20. Duty officer will assign waiting areas for shooters. All shooters must comply
21. Field usage (whether one or 2 fields are opened) will be determined by the Duty Officer

Additional Items

1. As a courtesy to other members, if you are not feeling well, please do not come to Club to minimize any health risks
2. If you become ill with COVID-19 after having been to the club, please immediately notify our COVID-19 affairs manager **Sheldon Hamblin (508-958-2827 or shambl4803@aol.com)**
3. The club will not be held responsible for anyone contracting COVID-19
4. Anyone not following the rules will be told to leave the club premises
5. Members must encourage other members and their guests to follow the rules in order to maintain a safe shooting environment
6. If rules are not followed, the board will have no choice but to close the club once again and until further notice
7. At end of each shooting day the duty officer will sanitize clubhouse any exposed surface areas as well as equipment (i.e. remote triggers, clipboards, etc.)
8. **5-Stand** and **Trap** will not be open or available for the time being. After observing how Skeet goes for some time, the Board will assess and consider opening the other areas.
